

Dear Partners,

We would like to invite You to cooperation in New Reality

Our fleet is ready for new advantages but many aspects remained as usual as safety of passengers and clean vehicles where always our priority.

All cars and coaches passed disinfection process and where ozonized. There are hand gels and antibacterial fluids/lotions.

In concern of our passengers safety and full comfort so as according to regulations of Health Ministry, Prime Minister's of Poland Chamber and Chief Sanitary inspector we fit size of vehicles to group size to keep safe distance.

We have also introduced some regulations:

- passengers of coaches may use rear entrance only and the front one is used exclusively by staff. For smaller – minibuses there is already separate entry.
- passengers are obliged to put their suitcases to luggage zone on their own and it is not allowed to take any carry-on bags onboard except smart bags, small hand-bags, fanny-bags.
- drivers use masks and gloves
- there is obligatory disinfection and cleaning of vehicles interiors while standing, not driving, during breaks.

All our drivers have passed medical test for COVID-19 presence in May this year with negative results. Our goal is to have 100% sure that our guests feel safe with us. Next tests are planned for mid June 2020.

we invite You for cooperation,

With regards,
Krzysztof Dyniewicz
